The online application form will become available at 9:00 am CT on Monday, February 9, 2026.

The THEMA board selection committee will anonymously review applications and video recordings and assign a ranking (i.e. 1 through 5) to student applications submitted by each teacher. Each teacher who submits student applicants will have an equal number of students selected to compete, beginning with the top-ranked students first. If more than 12 teachers submit student applicants, the THEMA board selection committee will use a lottery system to randomly select 12 teachers who will have their top-ranked student selected to compete. If fewer than 12 teachers submit student applicants, the THEMA board selection committee will use a lottery system to randomly select teachers who will have their second-ranked student selected to compete.
- The twelve approved applicants will be sent a confirmation of their participation no later than March 6, 2026. All others will be notified on the same date and have half of their entry fee refunded.
